Thank you for choosing Texpo Energy! Texpo is pleased to provide you with this fixed rate plan. The above price disclosure is based on average usage patterns and a fixed base energy price of 5.9¢ per kWh for the CenterPoint area, 5.9¢ for the Oncor area, 6.3¢ for the TNMP area, 6.3¢ for the AEP-Central area, and 6.2¢ for the AEP-North area, plus all charges from your Transmission and Distribution Service Provider ("TDSP") and the Electric Reliability Council of Texas ("ERCOT") (collectively, "Delivery Charges"), a \$8.00 monthly customer-service-meter-fee and Public Utility Commission of Texas ("PUCT") fees and assessments.

Please see your Terms of Service for a full description of your actual price, and other applicable terms and charges. Your base energy price is a fixed price, and your average total price for electricity service will vary according to your monthly usage, your maximum instantaneous peak load, and Delivery Charges (as defined in your Terms of Service) at the time of your usage, as permitted by the Rules of the PUCT located here: (<http://www.puc.texas.gov/agency/rulesnlaws/subrules/electric/Electric.aspx>).

The above prices in the table do not include taxes or, for customers in the Oncor service area, the TDSP Underground Facilities and Cost Recovery Charge authorized by some cities. See your TDSP's tariff for a list of cities and authorized charges.

Other Key Terms and Questions

- This document is intended to summarize many provisions in your Terms of Service, the applicable version of which is entitled "Terms of Service Agreement," version "TXPBUS080216." Please see your Terms of Service for a full listing of fees, deposit policy, and other terms.

Disclosure Chart

Type of Product	Fixed Rate
Contract Term	12 months
Do I have a termination fee or any fees associated with terminating service?	Yes. Your early termination fee will equal the total price of electricity paid under this Agreement in cents per kWh multiplied by your highest kWhs usage (as may be reasonably forecasted by Texpo in any given month) and by the number of months remaining in your Term, not to exceed 3 months if the remaining Term is 12 months or less, and not to exceed 6 months if the remaining Term is

Disclosure Chart (cont'd)		13-24 months; provided however, that any such amount will not less than \$300.00, as further explained in Section 3.1 of your Terms of Service.
	Can my price change during the contract period?	No, your base energy price cannot change unless a change of law occurs (if, for example, the PUCT approves a change in regulated charges from ERCOT or your TDSP).
	If my price can change, how will it change and by how much?	The price can change <i>solely</i> to reflect any increased costs that are due to changes in law or changes in regulatory charges permitted by the PUCT.
	What other fees may I be charged?	A customer-service-meter-fee of \$5.95 per meter will be assessed during each billing cycle. Please see Sections 4.1, 5.1, 8.1, and 14.13 of the Terms of Service for a full listing of non-recurring charges.
