Price Structure	Fixed Kilowatt Rate Product
Generation/Supply Price	You will receive a fixed price per kilowatt hour
Statement Regarding Savings	The supply rate may not always provide savings
Amount of time required to change from TPS back to default service or to another TPS	Upon cancellation with Clearview Energy, your electric supply services will be transferred to the default service or another TPS on the next applicable meter read date as established by your Local Distribution Company (LDC).
Incentives	This Agreement does not include any enrollment incentives
Right to Cancel/Rescind	You have seven (7) calendar days from the date of the LDC’s confirmation notice to contact your LDC and cancel this Agreement.
Contract Start Date	This Agreement goes into effect on the effective date established by the LDC
Contract Term/Length	12 months
Cancellation/Early Termination Fees	\$150.00
Renewal Terms	Upon expiration of your fixed term, your service will automatically continue under Clearview Energy’s variable month-to-month renewal product. You will receive two (2) renewal notices forty-five (45) and ninety (90) days prior to the renewal date. If you do not respond to the renewal notices, at its discretion, Clearview Energy may renew your account under the terms described in the renewal notices.
Local Distribution Company (LDC) Information	Your LDC will continue to deliver your electricity. Please contact your LDC in the event of an emergency or power outage. You will continue to receive one bill from you LDC that includes Clearview Energy’s supply charges and the LDC’s distribution charges.
