This document summarizes the key terms of your contract with IDT Energy, Inc. ("IDTE")

«FIRST_NAME» «LAST_NAME» «STREET», «CITY», «STATE» «ZIP»

In Completing My Authorization	I am accepting IDTE as my supplier of electricity. I understand that the choice is not mandatory and that the switch will take place with my next available meter read. I also understand that I may cancel at any time with no penalty or termination fee, and that my utility company remains responsible for my energy delivery. I will still receive my bill and make payment to my local utility and I will contact my utility with any energy related emergency. I also acknowledge my understanding that IDT Energy is an independent seller of energy and is not a representative of the utility company, government, or consumer group.
Price Structure	With IDT Energy's SmartBudget Guaranteed Rate Promotion, your price will be effective starting with your first date of service with IDTE and will remain fixed for all bills issued within 12 months of your starting date.
Supply Price	The price you will be charged for your 12-month promotional term will be «RATE» cents/kWh.
Promotional Term	Your starting date for the Smart Budget Promotion is <<Start Date>>. Your End of Term date is <<End Term Date>>. You will receive notification at least 45 days before the automatic renewal of this promotion is scheduled to occur that will advise you of your renewal options, including the automatic renewal to a new 12-month term. You may cancel this agreement at any time with no penalty.
Renewable Energy	Where available, if you choose to enroll in renewable energy supply, IDTE will ensure that 100% of your electricity usage is supplied with renewable energy certificates or renewable energy attributes. The price for renewable energy will be comprised of the IDTE Supply Price (above) which includes an amount of 2.79 cents per kWh, which is IDT's estimated cost of green energy. Where applicable, monthly fees for renewable energy may apply.
Term	This Agreement shall continue until either party provides notice of its intent to cancel and until the utility completes the termination in accordance with its rules. You may cancel this Agreement at any time during the three (3) business days following receipt of this agreement by calling IDTE at 1-877-887-6866.
No Termination Fees	There are no early termination fees.
